Identities and Inequalities: Exploring the Intersections of Race, Class, Gender, & Sexuality David Newman

We don't experience our everyday lives through just one lens; rather we experience all elements of our identity—race class gender sexuality—simultaneously. *Identities and Inequalities* acknowledges this complex reality and brings to light the importance of studying the intersections of race class gender and sexuality. It also examines these intersections as both elements of personal identity and sources of social inequality. This new edition brings into conversation a multitude of current events from police violence and global public health crises to the legalization of same-sex marriage. With both updated statistics and a fresh look at today's social climate Newman's *Identities and Inequalities* will prepare students to study these all-important issues in a whole new way. The Connect course for this offering includes SmartBook an adaptive reading and study experience which guides students to master recall and apply key concepts while providing automatically-graded assessments. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access.
