It's easy to get caught up in the belief that your tennis play will improve if you just spend more time on court or more money on lessons or equipment. And while those things might help, you can get better without doing any of them. The truth is that the best tennis player is not necessarily the one with the best strokes, or the most powerful serve, or the smartest on-court strategies. Rather, tennis is a game that often rewards the player who does just a few things, sometimes only one thing, better than his or her opponent. If you're an average, everyday player, a "real" tennis player, you can learn to play better tennis quickly by applying some "real" tennis tips to your game. Tips that work and can truly improve your game.
