The End of the World was Only the Beginning. What would YOU do... How would YOU Survive?

Book 7 (RETRIBUTION) begins with Megan and Eleanor having been abducted by those who ravaged their beach-side community and subsequently charged off into the cover of darkness.

Mason and Brian are at odds over their next move and with the group divided; Randy makes the decision to head out into the city with or without help.

We meet those who've taken the women and children and the gruesome lengths they are willing to go to... to get what they want.

Into the city our group faces not only the most challenging time since the beginning of the infection, but the loss of multiple friends.

Our group of survivors will come to realize that the Feeders are not the worst thing about this new world.

Humans will prove to be just as much of a threat as the infected.

The group will have to work together as they search for their missing family and for retribution from those still unknown.
