The Gnostic New Age: How a Countercultural Spirituality Revolutionized Religion from Antiquity to Today April D. DeConick

Gnosticism is a countercultural spirituality that forever changed the practice of Christianity. Before it emerged in the second century, passage to the afterlife required obedience to God and king. Gnosticism proposed that human beings were manifestations of the divine, unsettling the hierarchical foundations of the ancient world. Subversive and revolutionary, Gnostics taught that prayer and mediation could bring human beings into an ecstatic spiritual union with a transcendent deity. This mystical strain affected not just Christianity but many other religions, and it characterizes our understanding of the purpose and meaning of religion today.

In *The Gnostic New Age*, April D. DeConick recovers this vibrant underground history to prove that Gnosticism was not suppressed or defeated by the Catholic Church long ago, nor was the movement a fabrication to justify the violent repression of alternative forms of Christianity. Gnosticism alleviated human suffering, soothing feelings of existential brokenness and alienation through the promise of renewal as God. DeConick begins in ancient Egypt and follows with the rise of Gnosticism in the Middle Ages, the advent of theosophy and other occult movements in the nineteenth and early twentieth centuries, and contemporary New Age spiritual philosophies. As these theories find expression in science-fiction and fantasy films, DeConick sees evidence of Gnosticism's next incarnation. Her work emphasizes the universal, countercultural appeal of a movement that embodies much more than a simple challenge to religious authority.

The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss the item? Find this book as well as read it from today!

Chris McCree:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to

there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Gnostic New Age: How a Countercultural Spirituality Revolutionized Religion from Antiquity to Today can make you sense more interested to read.
