Mole, Rat, and Badger are the best of friends. As for Toad, well . . . he's not hes a bad guy. It's just that he really, REALLY loves cars. If he sees a sporty vehicle, he can't help but ask to take it for a spin. And if he takes it for a spin, he can't help but find out how fast it goes. And whenever he finds out how fast a car can go, Toad tends to end up in big trouble. Will Toad's pals save him from ending up in prison, or will Toad land his friends in even bigger trouble? These full-color graphic novels feature enhanced Common Core State Standards support, including discussion and writing prompts developed by a Common Core expert, an expanded introduction, and bolded glossary words. They're sure to hook even the most reluctant of readers.
