Touching Distance Rebecca Abrams

It is 1790. After ten years' training in the great medical schools of Europe, Alec Gordon has returned to Scotland to take up the post of physician in the Aberdeen Dispensary. Alec has ambitious plans for modernizing medical practice in the town, starting with the local midwives, whose ignorance and old-fashioned methods appal him.

But Alec's dreams of progress are thrown into disarray when a mysterious disease suddenly strikes the town, attacking and killing every newly delivered mother for miles around. Alec alone recognizes it as childbed fever, a disease more deadly than the plague, a condition that has baffled the greatest physicians of the age, an illness with no known cause and no known cure.

Desperate to save his patients' lives, Alec sets out on an astonishing medical quest to conquer the disease. But while Alec struggles to find solutions that lie far in the future, his wife Elizabeth is increasingly lost in the past, prey to terrifying memories of her childhood in Antigua. As she knows and he will learn, some diseases lie beyond the reach of reason.

Based on a true story, Touching Distance is a stunning historical novel that brings to life a fascinating period in world history, exploring the tragic limitations of knowledge and the deep-seated tension between reason and passion in the Age of Enlightenment.

Of course the knowledge in this book hundred % guarantees there is no doubt in it you may already know.

Gertrude Knudsen:

Often the book Touching Distance has a lot of information on it. So when you read this book you can get a lot of help. The book was compiled by the very famous author. Mcdougal makes some research before write this book. That book very easy to read you will get the point easily after looking over this book.

Susan Spiegel:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Touching Distance can make you feel more interested to read.

Shane Hamilton:
