Will, Irma, Taranee, Cornelia, and Hay Lin (W.i.t.c.h.) are five ordinary friends with an extraordinary secret: they each have the power to control a natural element-air, water, fire, earth, and finally, the mysterious "Heart of Candracar." The girls use their powers to guard against evil and to uncover the truth behind mysterious portals leading to other worlds. Between school, family, and a new interest in boys, these girls had enough to worry about! But now they have the secret to turn into a group of friends with special powers . . . destined to fight the evil Prince Phobos in the magic world of Metamoor. W.i.t.c.h. combines fashion and fantasy, magic and middle school, heroism and humor, friendship and family, teamwork and transformation, in a wholesome mix proven to charm the tween girl market. Introducing a hybrid format that combines four-color comics with a traditional chapter book format.
