One of the most useful books of pediatric dentistry, this expert resource provides comprehensive coverage of oral care for infants, children and teenagers. Children's dental health involves much more than a toothbrush. Dental disease is the number one chronic childhood illness, and avoiding dental disease means paying scrupulous attention to our children's teeth.

This book will help parents help children develop good dental habits for a lifetime of healthy teeth-from baby's first tooth to the young adult's shining smile.
