FUCT

Erik Brunetti

FUCT Erik Brunetti

The first book to celebrate one of the iconic brands of American streetwear. An originator of West Coast street and skate style, FUCT was a cult Los Angeles brand that went on to become one of the most influential American streetwear labels, influencing not only the style but also the graphic and referential approach of countless artists and companies. Driven by the provocative vision of its creator, the artist Erik Brunetti, FUCT's appeal drew on contemporary skate aesthetics and invoked a situationist slant on brand-oriented consumer culture. Famous for their appropriation of iconic logos, and renowned for collaborations with artists, designers, and companies as diverse as David Mann and Shawn Mortensen, FUCT continues to flirt with controversy as it remains at the forefront of American street fashion and culture. Published to coincide with the brand's twentieth anniversary, with contributions from icons of the street fashion world such as Aaron Rose and Gary Warnett, this beautifully illustrated, comprehensive volume explores the archives of the brand's products and advertising, as well as Brunetti's artwork, sketches, and films that continue to inspire and inform the brand.

From reader reviews:

Guillermo Behler:

Within other case, little individuals like to read book FUCT. You can choose the best book if you like reading a book. As long as we know about how is important a book FUCT. You can add understanding and of course you can around the world by way of a book. Absolutely right, because from book you can realize everything! From your country right up until foreign or abroad you will end up known. About simple point until wonderful thing you are able to know that. In this era, we can open a book as well as searching by internet unit. It is called e-book. You need to use it when you feel bored to go to the library. Let's read.

Lily Spivey:

Do you among people who can't read pleasurable if the sentence chained within the straightway, hold on guys this kind of aren't like that. This FUCT book is readable by you who hate those perfect word style. You will find the details here are arrange for enjoyable examining experience without leaving actually decrease the knowledge that want to offer to you. The writer associated with FUCT content conveys objective easily to understand by many people. The printed and e-book are not different in the content material but it just different as it. So , do you nevertheless thinking FUCT is not loveable to be your top record reading book?

Isaiah Owens:

FUCT can be one of your beginner books that are good idea. All of us recommend that straight away because this book has good vocabulary which could increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The article author giving his/her effort to put every word into joy arrangement in writing FUCT although doesn't forget the main level, giving the reader the hottest and based confirm resource info that maybe you can be one among it. This great information can drawn you into completely new stage of crucial contemplating.

Robert Cox:

Is it anyone who having spare time subsequently spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This FUCT can be the respond to, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this new era is common not a geek activity. So what these textbooks have than the others?
