Does love continue beyond physical death? Of all the questions flooding her mind after the devastating loss of the man she loved, this one needed to be answered most of all. As Tyger began sending messages, there was no doubt his love for her had made the transition with him into the afterlife. His persistence in proving he was still close, gave her the strength to pick herself up and move forward, one step at a time. From their happiness and laughter, to her overwhelming sorrow when he was suddenly ripped from her life, you will witness Diane's remarkable spiritual evolution. Onward into The Light is an honest testimony of true soulmates and the love that connects them still. Messages from Mike "Tyger" Johnson: "God is good and it's better here than I ever imagined. You will see me again, I'll take your hand when you get here." "I hear everything you say to me and I tuck you in at night. Keep writing, I love your words."
