Sexual Morality in a Christless World Matthew W Rueger

Author Matthew Rueger openly embraces this hot topic, writing compassionately with a father's heart and adamantly with a fierce determination to outline the truth from a reasoned, conservative Christian perspective. This book came to life following a series of presentations that Rueger gave on the subjects of homosexuality and same-sex marriage. The audience? A skeptical, secular-minded bunch of college students in their ethics class at Iowa State University.

Christians need to expect the unpleasant from their opponents, arm themselves with answers to common objections, and speak in clarity and love. Rueger shares a game plan for families and churches facing the future, moving from important accounts of history to the tangles of the twenty-first century.
