Thoughts of the Soul Morgan

Welling up from deep inside the soul of the poet Morgan, these poems are the sum of experiences, both personal and recounted by those with whom he has come into contact. Descriptive of the journey, the trials, the travails, and the triumphs of true love, the emotions that leap from these pages ring true for lovers of all ages and stages of the life journey.

Brimming with both agony and ecstasy, *Thoughts of the Soul* is intended to assist the reader in finding new ways to express love more passionately, more deeply, and more viscerally than ever before.

And maybe, just maybe, the words "I love you" will carry a new, more vibrant meaning for you and those you love - and especially those who love you...

...unconditionally.
