Vengeance of Valdorian J E Strong

Forced to grow up at an early age, the mysterious warrior calling himself Vengeance was forced to become a warrior after the brutal murder of his adoptive parents. Filled with trepidation, query, and confusion-- Vengeance is granted powers at an early age from the one true God and sets out on a quest with several warriors and a myriad of unique creatures to unite the world against the dark Angelur Corlac and free the world of Valdorian from the hellish agent's tyranny. To help with this endeavor, Vengeance calls upon two friends, Chris and Brett. However, as the world continues to decay into darkness and the opinionated ideals of others come into play, friends become scarcer; and in the end, all that the planet of Valdorian can do is pray that some divine intervention comes out of the eternal darkness.
