Wild: An Elemental Journey Jay Griffiths

In *Wild*, Jay Griffiths describes an extraordinary odyssey through wildernesses of earth, ice, water, and fire. A poetic consideration of the tender connection between human society and the wild, the book is by turns passionate, political, funny, and harrowing. It is also a journey into that greatest of uncharted lands—the wilderness of the mind—and Griffiths beautifully explores the language and symbolism that shape our experience of our own wildness. Part travelogue, part manifesto for wildness as an essential character of life, *Wild* is a one-of-a-kind book from a one-of-a-kind author.
